Located in the heart of Monaco's Carré d'Or, in a prestigious building with concierge service, this office space is available for rent. Ideally situated in one of the Principality's most prestigious districts, it benefits from a sought-after professional environment.

A modern office with skydomes offers a unique working environment where natural light becomes a central element of the space.

Beyond aesthetics, skydomes contribute to energy efficiency by reducing the need for artificial lighting during daytime hours. They also promote wellbeing, as exposure to natural light is known to improve mood, productivity, and overall employee satisfaction.
