Discover Villa Sakura, an exciting residential development in the prestigious Principality of Monaco.

Located at 7, allée Emmanuel-Gonzalez, in the Larvotto area, this new residential building represents an opportunity to explore property in one of Europe's most exclusive real estate markets.

Designed by Lola Rozewicz in association with Tadao Ando Architectes Associés, this distinctive project combines architectural elegance, exposed concrete, expansive windows, private terraces and landscaped greenery to create a sophisticated residential environment.

- Just 12 exclusive apartments, primarily four-room residences
- Contemporary architecture with exceptional attention to detail
- Private terraces, integrated planters and landscaped surroundings
- 39 parking spaces
- A sought-after address in Larvotto, Monaco

With an anticipated construction period of 38 months, Sakura Residence represents an exciting opportunity for discerning buyers seeking a prestigious Monaco address and investors looking towards the Principality's

exclusive property market.
