Located in the prestigious Carré d'Or, just steps from Casino Square, La Petite Afrique is one of Monte-Carlo's most distinctive luxury residential developments, combining contemporary architecture with the timeless elegance of the Principality.

Designed by renowned Brazilian architect Isay Weinfeld and completed in 2016, this exceptional building stands out for its sculptural curved façades, elegant limestone finishes, expansive terraces and beautifully integrated greenery.

Exclusive Residences: A limited collection of approximately eight luxury apartments, including an exceptional duplex penthouse.

Exceptional Architecture: Contemporary design, landscaped terraces and floor-to-ceiling windows create a seamless connection between indoor and outdoor living.

Premium Amenities: Private wellness facilities, a swimming pool and spa areas, concierge services and underground parking.

Prestigious Location: Situated between Avenue de la Madone and Boulevard des Moulins, moments from the Casino de Monte-Carlo, Hôtel de Paris, One Monte-Carlo and the Principality's finest boutiques and restaurants.

A Rare Lifestyle: Generous living spaces, exceptional privacy and beautiful views, with Mediterranean panoramas available from selected residences.

La Petite Afrique represents the perfect balance of architectural excellence, exclusivity and prime Monaco real estate - an iconic address for those seeking an exceptional lifestyle in the heart of Monte-Carlo.
